MOTION TO APPOINT COUNSEL
UNDER 18 U.S.C. § 3006(a)(2)(B)

SDNY PRO SE OFFICE
RECEIVED
2020 SEP - 1 AM 10:57

Petitioner Joe Fernandez, respectfully moves this Court
for an order to appoint counsel. Petitioner's case involves complex
legal issues and Petitioner's "next friend" who filed the petitions
is being released. Petitioner has no formal or informal training in
the law to grapple with an experienced and well resourced
attorney for the United States as Petitioner has limited
educational background. This Court "ordered the Gov't
to show cause" why his petition of habeas corpus should
not be granted. Petitioner seeks appointment of counsel
to challenge the statements in the government's response.

Appointing Counsel would be in the "interest of justice." Due to the pandemic the institution is under "modified operations" and Petitioner does not have access to any other resources ("jailhouse" lawyers) to assist him as there is no access to the physical library or law library to confer with someone who can assist in this regard.

Petitioner understands there is no constitutional right to have counsel appointed in a federal habeas corpus proceeding. Petitioner avers that both the Circuit and this court found merit to Petitioner's claim of relief assuming its truth and therefore did not issue summary dismissal.

It would not be an unprecedented occurrence to assign counsel when the "interest of justice" requires the court to do so. Petitioner would not be able to file his "traverse" on his own.

Conclusion

For the foregoing reasons stated above Petitioner respectfully moves for the Court to appoint Counsel in which to file a traverse to the Government's response and to handle any other issues related to the ongoing action.

Respectfully Submitted,
